

THE PRAYER OF THE TWO HEARTS OF LOVE

Jesus! Mary! I love you. Be appeased. Save all souls. Amen.
(10 times as rosary)

Glory be to the Father and to the Son and to the Holy Spirit, as it
was in the beginning is now and ever shall be, world without end.
Amen.

O! Hearts of Love! O! Hearts ever united in Love!
Make me to love You always and help me to make others to love
You.
Take my poor sinful heart to Thyself and do not give it back to me
until it becomes a flaming fire of Your Love.
I know that I am unworthy to come to You, but take me to Thyself
and cleanse me by the flames of Your Love.
Take me to Thyself and use me as it pleases You, for I am entirely
Yours. Amen.

O! Pure Love! O! Holy Love! Pierce me with Your arrows and send
my blood flowing into the wounds of the Immaculate Heart.

O! Immaculate Heart! Unite with the Sacred Heart
to give life, to comfort, to glorify and to love. Amen.

O! Jesus! O! Mary! You are the Hearts of Love! I love You.
Consume me. I am your victim of Love. Amen.

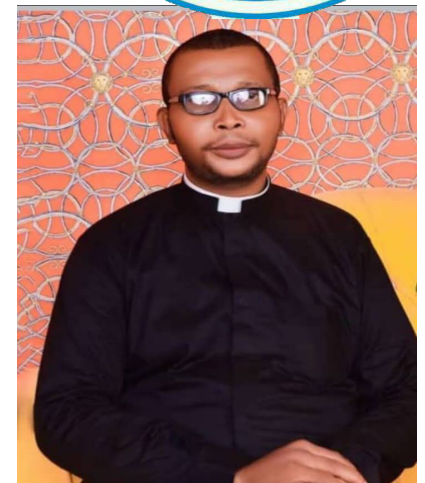

O! Hearts of Love! Consume me. I am your victim of Love. Amen.

When the bullet is released, shot, when the bomb is dropped, it can kill anybody, it can kill small children, it can kill mothers, it can kill fathers, it can kill young men, it can kill old people, innocent blood being wasted, they are all children of God. Some Russians are protesting against the war, but they are being arrested. God our father we beg you to change the hearts of all the wicked people who cause war, put your peace in their hearts. Give us the peace you promised Lord Jesus, the peace the world cannot give. It is only you that can give us peace, so we appeal to you today, first Thursday, day of the Two Hearts of Love of Jesus and Mary, to give us peace. Prayer of the Two Hearts of Love...

We are praying to God through this mass we celebrate now to bring complete peace and love in the whole world. Prayers of children are heard very well, your prayers were heard by God, say Amen!

Those who suffer most, when there is war are children, when their mother is wounded, when their papa is killed, when their house is destroyed, when their food is no longer there, when they have to hide underground, children suffer most, more than other people. So, remember children there in Ukraine. How I wish we can also collect relief to send to them. During the Nigerian Biafra war children collected relief and brought it to us – children in Igbo land that time. They brought biscuits, and sweet and corn meal and fish, even children clothes. Relief was brought because children suffer most...hunger, horrible. Our Papa, please end all wars, let there be no more fighting, no more quarreling, may all be in peace with one another. We pray you, o Lord.

God, my Love, my All for this most blessed season of Lent.”

Early in the morning on Ash Wednesday we use to go on our knees from the Holy Mountain to the Holy Trinity Cathedral in Orlu, where we attend morning mass and receive the ash. It is our tradition for many years. This emphasises the link between Holy Mountain and the Cathedral, Two Hearts of Love and Holy Trinity. Jesus and Mary, the Two Hearts of Love are the way to the Holy Trinity, the key to understand this great mystery of the Holy Trinity – Mary is the daughter of the Father, Spouse of the Holy Spirit and the Mother of the Son.

CHILDREN PRAYING FOR PEACE IN UKRAINE AND THE WORLD AT UGWU-NSO

Praying for peace in Ukraine and the world

At Holy Mountain we offer all our prayers for the peace in the world, especially to end the war between Russia and Ukraine. On Thursday, when our pupils from the Juniorate of the Two Hearts of Love came for their regular devotion, Fr. Love invited them to join us in prayers to end the war, knowing that prayer of innocent children fastest reach the heaven.

Let all children now kneel down and pray for peace in the world, praying to God our Father to end the war Putin and his agents are fighting against the people of Ukraine. Today it is against Ukraine, tomorrow it will be against another country. May God stop all wars. Mother Mary can do it. Let us pray to her and consecrate Russia to her Immaculate Heart and the Sacred Heart of Jesus, the Two Hearts of Love to end all wars. Hail Mary... Our Father... Glory by to the Father...

If we give our yes like Mary, there is no limit as to what God can do

Homily on the Holy Mountain during Midday Mass on Thursday 6th January 2022 by Rev. Fr. Fatherlove Montfort
Okanwiko SHL

We hear this Gospel every day (Luke 1:26-38). Still, we are very, very far from being Mary; very, very far from saying the type of yes Mary said. Within three minutes of encounter with the angel, Mary's yes was total, absolute, unconditional, almost infinite, eternal. She gave everything to God and submitted without conditions. God, let your will be done to me. When shall we mean what we say in our prayers every day? *Take my poor, sinful heart to Thyself, and do not give it back to me, until it become a flaming fire of Your love. I know that I am not worthy to come to you, but take me to Thyself and cleanse be by the flames of your love, take me to Thyself and use me as it pleases You, for I am entirely Yours.* When shall we mean what we say? Meaning it means unconditional, limitless surrender to the will of God and then readiness to do whatever God says, avoiding whatever God forbids, whatever he forbids. I asked myself this question some minutes ago: Who taught your heart to beat? Your heartbeat from the womb, who taught your heart to beat to such a rhythm until death?

Who? Who taught your eyes to see? Who taught your ears to hear? Which school did your ears attend to learn how to hear? Who taught your nose to breathe? Where did it learn to do it, where? Who taught your brain to function? Who taught your bones to produce red and white blood cells? Who taught your mouth how to suck your mother's milk? Who taught you that? Who taught you to urinate, where did you learn it? Where did you learn to urinate, where?

What school? These very vital things, who taught you heartbeat, how to see, how to hear, who taught you? If only we shall allow God to do whatever God

wants, there will be absolutely no limit to what God will do with you and with me. Absolutely no limit. He said to me, *"If only you allow me to use you to save all souls, there is nothing I cannot do with you."* Nothing, and this is God speaking. Just allow me to use you to save all souls, there is absolutely nothing, nothing, nothing. That would be impossible. Thank you my God, thank you my Love, thank you my All. All praise, all glory, all thanksgiving belongs to you now and forever.

Use me as it pleases you, for I am entirely Yours. Meaning this means unconditional, limitless surrender to the will of God and then readiness to do whatever God says.

Introduction to the Season of Lent

By Ash Wednesday we have entered the season of Lent. The Liturgical Order for Nigeria beautifully describes this season as follows:

"The annual observance of Lent is a special season for the ascend of the holy mountain of Easter through its two-fold theme of repentance and baptism. The season of Lent disposes both the Catechumens and the Faithful to celebrate the Paschal mystery. Catechumens are led to the sacraments of initiation by means of the rites of election, the Scrutinies and Catechesis. The Faithful, listening more intently to the word of God and devoting themselves to prayers, and prepared through a spirit of repentance to renew their baptismal promises." Baptismal glory, union with Christ shines.

Fr. Love said on the night before the Ash Wednesday:

"Lent of this year – prepare for it, for I must tell you, this years' Lent God must shower on us his graces to do His Will. He must pour on us all the graces needed to do His will

perfectly well. Why must God do it? Because it is His Will, that we do His Will perfectly well. And our wills must be perfectly united with the will of God, so that we can pray with precision, with truthfulness: "My God, Thy will is my will. I will your Will."

How do we prepare for Lent this year? Number one: sit down and look at your years till now: can you say you have become the perfect Christian? Even the perfect man? The perfect brother, sister, son, daughter, priest of the Two Hearts of Love? If you can't say that, this is your next and maybe your best opportunity to say it: Lent 2022. All you have lost all these years you must now regain back.

This time you must be completely Christlike for the season of Lent is the most perfect season to imitate Christ, to be like Christ, to be like Mary, to be one with the Two Hearts. It is a very strong time of repentance, time of penance. Fast from sin, decide throughout this Lent: nothing like evil thoughts, evil imaginations. Thank you, my

you, I knew you. Jesus told Nathanael: “before I called you, I saw you.” So, God knows that we shall not fail, because He has given us the grace never to fail.

If you are in the plane flying over the ocean and about to planecrash over the ocean what do they tell you? The captain will just quietly tell you to wear your life vest. Thank God none of you experienced such a thing. There is provision for you there to have life vest which will make impossible for you to sink. You can't sink if you put it on. It will be impossible for you to sink in the ocean if you are wearing the life vest. Unless you didn't wear it. No matter how long you stay in the ocean, you will not sink. They will send ship to pick you.

So, God has made impossible for us to fail. The first person God made it impossible for her to fail was Mamma Maria. It was totally impossible for Mother Mary to fail, to sink. God made it impossible for her to sink. Then she accepted it. Accepting it means submitting herself to the Will of God. That is why she said: do with me whatever you want. So, in the same way it will be impossible for anybody to keep all the prayer times here and sink. Impossible, it cannot happen, that you keep all the prayer times, avoid impurity, propagate this message and sink. It is not possible, it is totally impossible for you to live this life of purity, chastity, keep all the prayer times, propagate the messages of the Two Hearts of Love and sink. It is not possible. We have divine assurance of the impossibility of such thing. Are you happy about it? Then sing a song of thanksgiving for it.

It was never known, that anyone who flight to the protection of Mother Mary, implored her help or sought her intercession was left unaided. It is not possible. There is no way devil's power will

supersede God's power. It is not possible. It is impossible. There is no type of gun you use to shoot somebody who is residing on the moon.

It is impossible for somebody to enter the union with the Two Hearts of Love and be hurt, and be chained by the devil, it is impossible. It is impossible for anybody to live this life perfectly well and fall into mortal sin, it is not possible. It is impossible for any family who live this prayer life perfectly well, keeping all the prayer times for there to be sudden death, it is impossible. These are the promises of God. It is impossible for me and you to give God 100% here and still the world remain as it is, it is not possible. Why the world is still cloudy, wicked, because we didn't give God 100%. Once the 100% is given, once the high tension wire is connected to the power station that is supplying the current, touch it, what will happen? You dare not to touch it, you can't, it is not possible. The power God has put in this prayer life! The only disturbance is we are not living it perfectly well.

My God, thank you, thank you, thank you. Now, it is our most specific bound duty to ensure that all are consecrated. Once you are consecrate automatically you are sealed in salvation. You receive the seal of the living God.

LIFE AND DEATH OF REV. FR. MONTFORT MOSES AGBO SHL

REQUIESCAT IN PACE – MARTYR OF LOVE!

ABOUT FATHER MOSES

Fr. Moses Montfort Obinna Agbo mirrored by his life and in his death the union with the Two Hearts of Love and especially now in his entrance to eternal glory in heaven. Even from his natural biography somebody born just two days after the Feast of the Assumption 1977. It was already a Marian gift, gift to Mary's assumption, a Marian child.

After his secondary school he sought green pastures in business and for five years he settled very well, but then he discovered that this is not his vocation. He had a higher vocation, the voice of God calling him to abandon his business of fetching money to fishing of souls.

So, he had to enter the womb to be born again, to begin a life that he was called, he discovered that the place he was called was the womb of Jesus and

Mary, the Two Hearts of Love, the Congregation of the Two Hearts of Love. By the grace of God, we are the instrument of the Family of the Two Hearts of Love. When he applied, he presented good credentials of both himself, his nature, his background, education, his exposure and then his rejection of the world to embrace God. So, he was accepted on probation, he passed the

probation well, then he was put in the presence of God to decide whether it is his vocation or not.

We prayed, God you know the hearts of all men, tell us, is Moses called to be a brother by you? That is what happened at solemn declaration, at the burning of the holocaust of self. Self-

holocaust: offering himself as living sacrifice of love, so, God consumed him completely. Nothing left. He was holocausted and at

Father Moses reposing on the holy steps and being carried up the holy steps according to his last wish.

once, no delay no postponement, God took him from that day, Moses never looked to another direction in spite of all efforts of all to confused him.

In the novitiate he dropped some of his energetic self will. And he became so malleable, so docile, so loving, people began to wonder, no matter how you try to annoy him, he will react with smile and pray: may

God bless you. God showed clearly that he is calling him....

He had many functions. The last function I gave him, was the function of being vicar, which he worked diligently and with great resonance, for over 10 years. Even after the ordination to priesthood, they asked me to change him, how can a deacon be in charge of priests? But I saw in him rare qualities, I refused to replace him, rather, his responsibility was increasing.

Whatever responsibility was given, Moses executed it with dedication, joy, love, success. He was already a tall huge man by nature, and when he stands, it was

Once you are consecrated, automatically you are sealed in salvation

Feast of the Presentation of the Lord
Homily on the Holy Mountain during Holy Hour on Thursday 3rd February 2022
by Rev. Fr. Fatherlove Montfort Okanwikpo SHL

Gospel: Luke 2:22-40

We have celebrated just yesterday the day of religious life and renewed our vows of consecration and having received from God many many years ago that the only solution to save all is this consecration. Consecrate all to my Two Hearts of Love. And this consecration is not new. Our Lady demanded it hundred and five years ago she demanded consecration of the whole world by the Pope and the Bishops: "consecrate the whole world, especially Russia to my Immaculate Heart. If it is done, there will be peace in the whole world. If it is not done, there will be wars. Although they went to Fatima, but still it was not done as God wanted it, so then broke out the wars and millions of people perished. Even our uncles here went to world war.

Before then our Lord demanded at Paray-Le monial consecrate France to My Sacred Heart and it was not done also in spite of their love of God. And 100 years after that promise there came the

butchering of people: Liberté, égalité, fraternité...

In our own case it will be worst if we fail. So, God made possible that you and I can even consecrate, we don't need any Pope's, Bishop's permission, just use this prayer. So, "at every mass," says the Lord, "consecrate to me all!" The summary of this prostration after consecration at Mass is

Before then our Lord demanded at Paray-Le monial consecrate France to My Sacred Heart and it was not done also in spite of their love of God. And 100 years after that promise there came the butchering of people: Liberté, égalité, fraternité... In our own case it will be worst if we fail.

consecration of all: all hearts, all souls, all person, the whole church, the entire humanity, the totality of creation. We shall continue to do it, because God wants it to consecrate all to His Two Hearts of Love of Jesus and Mary. Anybody consecrated is saved, automatic, like anybody who was forced or thrown or drawn or persuaded or

attracted, whichever you use to bring him into the Noe's ark will be saved. Anybody outside, no mater the reason, even if he is very pious, fasting 100 days, but outside ark, must perish, because he is outside the ark.

WE cannot afford to fail. Our failure will lead not to just death, just killings, but it will lead to eternal loss of souls and God knows that we shall not fail. Before I formed you, I knew you, I chose you. Before I called

touchable, preservable, eatable, drinkable. In and through you can people now embrace God and kiss him and eat him and drink him and live with him and even play with him, walk with him, because you represent his kingdom.

You are one with him in everything, except one, you are not God. So, whatever you do, whatever you think, remember what you represent. What you represent determines what you do. Let all who come near you encounter God in you. Let all come to God in and through you. Let all come to love in and through you. Early Christians, their badge was: see how they love themselves. And God has commanded me to concentrate only on those who live this life in union with the Two Hearts of Love of Jesus and Mary, perfectly well, 100%. These are the representation of the kingdom.

Therefore, let nothing and nobody diminish the presence of the kingdom in you: you are God's power, God's wisdom, his goodness, simplicity, humility, obedience, truthfulness, mercy, compassion, his honour, praise, reverence, light, way, solution, house, tabernacle of God, temple, monsternace, chalice, ciborium, his voice, his message, his sun, rain, ocean, his river, his trees, flowers, fruits, his joy, thanksgiving, his song, his face, his legs, his hands, his eyes, his mouth, his breathing, his peace, his justice, his plan, his fulfilment. You are everything to God.

St. Paul said: "be everything to all men." You are his throne, his heaven, his earth, his being, his fulfilment. Have you heard what you are to God, you religious? And what you are to the Church? And what you are to the world? Especially in the special family of the Two Hearts of Love. People will not understand you now, therefore face only the Will of God, whatever it costs. God will open their eyes, their hearts to realize that what you are doing is from me and that the union with

People will not understand you now, therefore face only the Will of God, whatever it costs. God will open their eyes, their hearts to realize that what you are doing is from me and that the union with the Two Wounded and Bleeding Hearts of Love of Jesus and Mary is the only solution to save all souls.

the Two Wounded and Bleeding Hearts of Love of Jesus and Mary is the only solution to save all souls. Your vocation is to be in the world not of the world. You are God's embassy in the world. Wherever you are, you are God's ambassador. Christ told the apostles: "you are my witnesses." You are ambassadors, witnesses of the

Kingdom. Represent God's kingdom. Your mission is to be the kingdom of God in the world today. Be what you are, be fully what you are. Let us see and come to know his most holy infinite eternal will in and through you and with you. Don't hide God's glory. It is not a humility, it is stupidity, it is demonic. Shine, radiate and pour his love on the whole world, whole church, whole creation. If we, religious live the life God wants us to live, the whole world will become heaven on earth. Amen.

imposing. Magnificent. So, he did not steer small envy, not even only personal, but group formed all to pull him down. But he would not be crushed. So, at last they found the way to deal with him and they dealt with him mercilessly.

THIS IS THE WILL OF GOD INSCRIBED IN THIS PLAN OF LIFE OF THE TWO HEARTS OF LOVE OF JESUS AND MARY, WHICH REV. FR. MONFORT MOSES FOLLOWED AND THIS LED HIM TO HEAVEN.

This is the perfection God wills for us in the Two Hearts of Love, and this is what captured Moses and what he now possesses eternally and infinitely. It is perfection of Love – Love of God – God the Most Holy Trinity of Love, and union with the Two Wounded and Bleeding Hearts of Love of Jesus and Mary. This is living this life of Love of the prayer of the Hearts of Love fully, uncompromisingly and perfectly. This is God's own and the only solution for the salvation of any soul and all souls. When this is lived all will be saved – all will be okay the whole world will be saved and restored and the Will of God will be done on earth as it is in heaven.

Who touched me?

Homily on the Holy Mountain on Tuesday 1st February 2022
by Rev. Fr. Fatherlove Montfort Okanwikpo SHL
Gospel: Mark 5:21-43

Who touched me? That question is a question for testimony. Power went out of Jesus to heal the woman. Please, don't come to Ugwu-Nso unless you believe in God. Don't come to Ugwu-Nso unless you believe in Jesus. Don't come to Ugwu-Nso unless you believe in Mary, unless you believe in souls. Don't come unless you believe that it is possible to save all souls. Once you come here with faith, you don't need to meet any person. Once you climb Holy Steps with faith, you don't need to meet any person. Where two or three gather I am there. He lives here and He is watching, waiting for people with faith, not with doubt.

Have you ever touched Him with faith? Have you ever kissed Him with faith? Have you ever received Him in holy communion with faith? What do you believe in? Tell me what you believe in and I will tell you what is your God.

Let us always touch Him with touch of faith.

Religious, you are everything to God

Feast of the Presentation of the Lord
Homily on the Holy Mountain on Wednesday 2nd February 2022
by Rev. Fr. Fatherlove Montfort Okanwikpo SHL
Gospel: Luke 2:22-40

Today is a Feast of religious. It is absolutely important for us to know what we are to God. The religious is called the sign of the Kingdom, sign of perfect charity, perfect chastity. You, religious, are the

visible sign of the kingdom of God. God is not visible, not touchable, even his kingdom you don't see in the maps, there is no signboard into his kingdom. But you religious wherever you are, you are the sign of the kingdom of God. With you in you and through you, the kingdom becomes visible,

fighters and armoured cars, continue going. The Lord said, *"do not look to the right or to the left look only on me."* Continue keeping the prayer times. Like Peter who could walk on the sea, because he looked only on Jesus. Don't look round, don't look on people, look only at the will of God, because for God nothing is impossible. It is a fact, not "if" but "since". Since God wants it, since God is

love, since for God nothing is impossible, since I am God's creature, God's child, God's son, since He wants me to do it, I will do it. No matter who is against it. No matter what is against it! No matter how many are against it! Since it is the will of God for me. I must live this life perfectly well no matter what it costs me, since it is the will of God, not "if", but "since".

Archangel Gabriel made Mary accept the impossible

Homily on the Holy Mountain during Midday mass on Friday 21st January 2022 by Rev. Fr. Fatherlove Montfort
Okanwipko SHL

With God nothing is impossible. How I wish we shall have all this tenderness, this love, this care, this tact of Archangel Gabriel, who made the timid girl full of fear to accept. She was so full of fear preserving her virginity, her concern was not against motherhood, but against: "How can this be? Since I am a virgin." – her purity, her virginity, which she vowed to God. Can we be so concerned about our vows to God? I remember one day, I asked for a favour from God, and the Lord replied in a very surprising way. He asked me: Instead of giving you this favour you are asking, suppose I give you leprosy, would you accept it? Leprosy? I gave him a provision: provided this leprosy will not disturb my work. My work as a priest...hmm. How will I

give communion, bless and anoint? How will you preach when you have no lips anymore? Provided it will not disturb my work for you. Gabriel was able to convince the small girl fourteen and a half years old to accept to be a mother, the highest vocation, Mother of God. In under five minutes to accept the impossible. Elisabeth captured it when she said, "Blessed are you for you believed that what God said to you will come true." It was purely Mary's belief that made the incarnation possible. Jesus told Martha, "Martha, Martha if you believe you will see the glory of God." The glory of God. I want to be like Mary, I want to believe. Let it be known that this man believed that it is possible to save all souls and therefore worked towards it, gave himself for it, nothing more.

I want to be like Mary, I want to believe. Let it be known that this man believed that it is possible to save all souls and therefore worked towards it, gave himself for it, nothing more.

all should end by 04.30 pm then supper at 05.00 to 05.30 pm.

And then preparation for Rosary Procession at 06.00 pm angelus, Eucharistic Blessing and rosary procession till 07.45. ending with Eucharistic Blessing and compline then at 08.00 pm all retire and sleep preparing for vigil. I bless all with my eternal blessings of Love infinite and eternal. Do My Will and I will do your will. I will save all in My eternal and infinite Love. This is the life I want you to live perfectly here on earth. Let My will be done on earth as it is done in heaven. Let all who follow you try to live this life perfectly. Here at Ugwu Nso this life must be lived uncompromisingly, fully, lovingly, devoutly and perfectly well. I bless you and I bless all in My Hearts of Love. I am He who am the God of Love. Please face this life and only this life and live it fully and perfectly well and all will be alright all will be okay and all will be saved. It is possible to save all souls. It is possible to save all souls. It is possible to save all souls. I am with you both now and forever and ever. I am He who am the God of Love – your God your Love your All.

On Thursday 22nd March 2012-03-22 Jesus said to me:

My perfect son My perfect Love this is the life I want you to live here on earth. The life of perfect Love. The life of perfect sonship. The love of perfect son. My Love just live this and all will be okay all will be alright all will be saved I will save all souls, I will save the whole world.

My perfect son My perfect Love this is how I want you to live until you die and leave the earth. Just live this life of Love of the Trinitarian Love - of the Two Hearts of Love – of Eucharist Love perfectly and all will be alright. My Will be done on earth as it is done on heaven.

WAS MOSES LIKE CHRIST?

Had he opportunity to kill his enemies and didn't kill him? I know, Moses reconciled with those who horribly persecuted him. He reconciled with them and also seek to reconcile with me, Hearts of Love. He said: I will bring them back. Moses was the man of reconciliation, great pontifex, bridge builder, even he forced himself to smile when he was in pains, wounded.

THANKING GOD FOR THE LIFE AND DEATH OF REV. FR. MONTFORT MOSES

Concentrate on doing the will of God

Homily on the Holy Mountain during Holy Hour on Thursday 6th January 2022
by Rev. Fr. Fatherlove Montfort Okanwipko SHL

I thank all of you for coming to Ugwu Nso and honouring the Two Hearts of Love of Jesus and Mary in this new year that is still young. I thank God for this new year. What God has prepared for us here in Ugwu Nso and for the whole world, if we were able to just have a peep, glimpse into this, hmmm, as our Lady told the children there at Medjugorje: *If only you knew how much God loves you, you will faint for joy.* You will collapse for joy. If only you can have a peep into what He has prepared for you, for me, for us this new year, this year 2022, you will faint for joy. However, God in his infinite goodness allows it to come in trickles. Just as the sun is shining brightly and does not dim by itself, it does not set by itself, but because of

movement of things it sets. It is ever-shining, this is how it was created. It can never set, never stop shining until it has fulfilled its mission, then it disappears, it is annihilated. But then for us the sun rises gradually, first at six it is a small light, then at eight it is bright, then at twelve, it is straight and at full force. In the evening again it begins to dawn so that we begin to prepare to go to sleep. It is just for us God has made it that way for us. So, God has made it for us also that this new year the blessings come out gradually. It is already there, and those here at Ugwu Nso you have the fullness of this blessing. This is the place God has prepared from here to bless the whole world. But it requires something from me and from you and those who are here. He requires 100%

be erased. It is permanent, engraved in your soul, in your person. There was an engraving in the Exodus with blood. This blood saves, but it remains on the doorpost. There is a character, Apocalypse 7, this character is what God has commanded me and you to do what? *"After this I saw four angels standing at the four corners of the earth, holding back the four winds of the earth, that no wind might blow on earth or sea or against any tree. Then I saw another angel ascending from the rising of the sun, with the seal of the living God, and he called with a loud voice to the four angels who had been given*

power to harm earth and sea, saying, "Do not harm the earth or the sea or the trees, until we have sealed the servants of our God on their foreheads."

This is what is waiting before the end of the times comes. Then, there will

be no more time, all will be over. We have the seal of the Two Hearts of Love to put on people who must be saved through prayer and consecration, through sacrifice and the holy mass. Consecrate all to Me. Anybody with this seal will not be lost. In many families in Europe, here in Nigeria there is no problem, this vaccine against Covid-19, they say it is a seal on people. Some say if you put your torch here you will see the seal, the sign of the... chip, like MTN chip. The Europeans believe it. That is what they are battling about, many people flight

against it there. Families are divided. Parishes are divided. This corona virus vaccination is from the devil to do what? To put chips into people. If you get it then you become a devil. Devil's method of claiming his own people. That is utter nonsense.

The seal we are asked to put on people's foreheads is the seal of the living God, before the devastation comes. Anybody with this seal, seal of the consecration to the Two Hearts of Love, seal of the reign of the Hearts of Love, you give it through prayer, you give it through consecration. Anybody you pray for, anybody you consecrate. God

"Do not harm the earth or the sea or the trees, until we have sealed the servants of our God on their foreheads." This is what is waiting before the end of the times comes. Then, there will be no more time, all will be over. We have the seal of the Two Hearts of Love to put on people who must be saved through prayer and consecration, through sacrifice and the holy mass.

wants all to be saved, therefore all should receive this seal, that is why we pray "save all souls". Some demonic members remove "all" (save souls), they don't want to pray for all. That means they don't want all souls to be

saved. That is why we celebrate this mass every midday, to thank God for the union with the Two Hearts, when Mary accepted based on the fact that for God nothing is impossible. The same argument, which the angel used to convince Mary is what our Lord used to tell me: "It is possible to save all souls." All. But the condition is: just accept, live this prayer life 100%. So, sign that we accept that with God nothing is impossible is that you keep all the prayer times no matter the cost, no matter the persecution. Even if they bring bombers and

come 15 minutes to the time. So all should know it now, that this man here has something from God, the summary of what he has from God is keeping all the prayer times here. *Stay here in Ugwu Nso and keep all the prayer times.* Instead of being late, one minute late, come 15 minutes early. You can begin early, but not late. Any other thing is either distraction, addition or sin. In fact only celebrating mass and climbing the holy steps and procession, that is all. That is the only thing I am looking for. That is why I am still here in the world. I do not need anybody's excuse to do it, anybody's permission. It is a command from my God, my Love, my All. No matter the cost, no matter the obstacles, I must live it. I must do it. And the worst, or the best, God has made

it very clear to me, in the case of Mary God had no alternative to Mary, there is no other person. In the whole creation there is no other woman in whom God can incarnate, only Mary. In the same way, there is no other person in the whole of creation, no other person, there is no other person, no angel, no saint, no bishop, no pope, no priest, no brother, no sister, no other person who will live this life perfectly well here in Ugwu-Nso. There is no other place in the whole world except here. There is no other person except me. Others will follow me. So I cannot afford to offend God. God has no other plan. No other plan! No other solution except this! The enormity of this responsibility...

compliance with his most holy, loving, eternal, divine, glorious, holy will. And take it or leave it, He wants us to concentrate all our efforts, all our energy, all our resources only in doing his will. And to concentrate also our care on those who belong to this family of the Two Hearts of Love. How do you know them? By their fruits you will know them. The fruit is that they live, that they love, that they propagate the will of God 100%.

The whole world will go through earthquake, hurricane, drought, a thousand will fall at your right, ten thousand at your left, you it will never approach. Why? God has secured this place for the triumph, for the reign of his love. So come into this place with complete confidence in God, the one and only God, who has given us the only solution to save all, which is union with these Two wounded and bleeding Hearts of Love of Jesus

and Mary. Let nothing and nobody distract you. At last all will realise that nothing on earth is important, all is vanity, except love. This love has no other meaning except union of our hearts, our wills with the will of

God. The Two Hearts of Jesus and Mary God has given to us that we see what it means to love God, practically to see what it means to be in union of love, how these Two Hearts love God and love one another. Unite yourselves with these Two Hearts and you

have all. Plug yourself as you plug your phone, plug your torch, plug whatever you have in the flowing current, then you tap the current and charge the phone or whatever you have, so you plug yourself into Jesus and Mary and you tap God's current. You tap the current from the most holy Trinity, from the most holy Eucharist, from the Holy Spirit, from heaven. This is the only way you can tap this current by plugging yourself into Jesus and Mary, who are already one with God. The only solution. How? This prayer! This prayer! This prayer! So this is the acid test for those who do not just say "Lord, Lord", but who do the will of my Father in heaven. Who is my brother? Who is my sister? Who is my mother? The one who does the will of my Father in heaven. It has been narrowed down to this, narrowed down to only this. And this is incontrovertible. This is the will of God.

So thank God once again for all of you for what you hear, for what you see. Remain forever and ever in this union with the Two Hearts of Jesus and Mary, living this prayer life perfectly well. The most basic, the most

important for all, the vigil, midnight mass every night for every child of the Hearts of Love, vigil wherever you are. Everywhere. Holy Hour by day, vigil by night, then the procession, rosary. Keep all the prayer times wherever you are whether you are eating,

The theology of "since"

Homily on the Holy Mountain during Midday mass on Thursday 20th January 2022 by Rev. Fr. Fatherlove Montfort Okanwiko SHL

The strongest word is "God". The strongest sentence is "God is love". Second strongest sentence is "with God nothing is impossible". This second strongest is what made Mary accept. Let me make a small mistake. If Abraham were told – if – Abraham, slaughter your child, kill him, I will raise him from the dead, would Abraham agree? Our theology is not based on "if", but on "since". "If" is conditional, "since" is factual, eventful. "If" is supposition. May or may not be. But "since" is factual, it has happened. The angel told Mary "with God nothing is impossible". What did he tell her before that? Elisabeth who was known to be

barren is now six months pregnant. Don't believe in "if", believe in "since". Those three children with Nebuchadnezzar, they combined "since" with "if". We shall not worship your statue. Our God will save us, but even if He does not save us, no, we shall not worship your statue.

I am very, very sure that in heaven, that is what we are taught, the sacraments with sacramental character they are eternal. Baptism, confirmation, ordination. These ones give sacramental character and they remain permanent. Even as a bishop you go to hell, you carry your mitre and crosier there. As a priest you are a priest in hell, because it is a sacramental character. It is eternal, you cannot delete them, it cannot

This is the only way you can tap this current by plugging yourself into Jesus and Mary, who are already one with God. The only solution. How? This prayer! This prayer! This prayer! So this is the acid test for those who do not just say "Lord, Lord", but who do the will of my Father in heaven.

sitting, standing, swimming, playing, jumping up or reading, once it is twelve, four, six the prayer must be said. Whether in the car or in the open place, in the park, in the church, in the school, hall, in the market. At four, at six, at twelve, just stop whatever you are doing and say this prayer, just about ten minutes. Not more than that. Once you do it, the glory of the Lord will be shining in you. But be faithful, don't relent. Do not allow anything or anybody to discourage you, to distract you. Be firm, your protection, no matter what they do, try to harm you in any way, remain in this prayer life and God will be your protection. God is your absolute protection. Once you do his will, nothing can happen in you or around you except what God wills. Nobody can poison you,

nobody can kill you, nobody can cheat you, nobody! When Christ was a few months old, Herod send all the army to come and kill him. Did he succeed? No. When he came to preach in his

own home town Nazareth, they wanted to take him and throw him down the cliff. Did they succeed? No. They have tried several times until the Gethsemane garden, where he asked "Who are you looking for?" They all collapsed. Get up! Who are you looking for? It was then time. The same will happen to you. They cannot harm you, your vocation, unless you expose yourself by not doing the will of God. Nobody can harm you. Nobody can harm you! Nobody can harm

you!!! The progress God gives you and whatever you undertake, blessings upon blessings. For me, I would be the most stupid idiot to put my hand into anything that is not Hearts of Love. God has warned me already, you will not have any success outside Two Hearts of Love. So, I am completely limited to this. It is God's most wonderful blessing to me. He warned me: *Do not waste your energy and time on anything except Two Hearts of Love.* I am telling all of you, please concentrate on doing the will of God wherever you are, whatever you are doing. Concentrate on the Two Hearts of Love of Jesus and Mary, this prayer life, on purity, holiness, life of devotion, life of work, life of love and God will bless you more than you can ever

imagine and through you bless all around you. May his blessing from this altar and this holy throne of God be given to you and remain permanent in your life, through Christ our Lord. Amen.

Keep all the prayer times wherever you are whether you are eating, sitting, standing, swimming, playing, jumping up or reading...At four, at six, at twelve, just stop whatever you are doing and say this prayer, just about ten minutes. Not more than that. Once you do it, the glory of the Lord will be shining in you.

Souls are eternal treasures in heaven

Homily on the Holy Mountain during 6pm mass on Sunday 9th January 2022 by Rev. Fr. Fatherlove Montfort Okanwikpo SHL

I want to thank God for giving me people like you, who in spite of all persecutions all these years remain faithful. Christ said, "Because you remained with me all these years, come into my glory." All souls we are praying for every day, they are treasures. Store up treasure in heaven where no moth can eat it, where no thief can steal it. Store up treasures in heaven. Souls are our treasures. Eternal treasures in heaven.

God has no other plan, no other solution!

Homily on the Holy Mountain during Midday mass on Monday 10th January 2022 by Rev. Fr. Fatherlove Montfort Okanwikpo SHL

Elizabeth
could not conceive and bear a child naturally. With God nothing is impossible. God wants me to be like Mary. To accept and submit completely to God's will to use me as it pleases him. God used Mary to be the Mother of God. He wants to use me to save all souls and establish the reign of his love in every heart, in every home, in the whole world and end the time of Satan, devil, evil. Will I accept?

Will I accept? That He uses me as it pleases Him so that there will be no more wickedness, no more sin, no more evil, no more sickness, no more death – in the whole world. God will do it. All He requests from me is to say yes. This yes is not said only with mouth. It is said with the whole body, whole soul, whole strength, whole energy. This yes means or is translated into keeping all the prayer times faithfully. Faithfully. Instead of being late
