The Lord Jesus is already born: born in our hearts, born in our homes, born in our families, born in our town, born in our country, born in the world through Virgin Mary, by the power of the Holy Spirit, begotten of the Father in eternity. I send to all of you greetings from the Holy Mountain, I embrace all of you, I bless all of you with heavenly blessings from the Father, Son and the Holy Spirit, from the Child Jesus in His is Love, from Mother Mary, from the Most Holy Trinity of Love, from the Holy Eucharist, from the Holy Mountain, from all we do here. May God shower his blessings upon all of you! I wish you all the God's eternal choicest blessings that last forever both for you now and in all eternity.

I thank you for your faithfulness to the Hearts of Love and wish all of you God's health, health, health, that no amount of virus, no amount of disease, no amount of poison from any devil or any evil, whether near or far, whether known or unknown will touch you. May God protect all of you against every sickness, against every evil, against anything that will harm you spiritually, harm you physically, harm you psychologically, harm you in body, soul and spirit or harm your relations. May God make all of you living mobile image of God in full health of mind and body. So, carry with you and spread it everywhere the blessings of God's love and remain united, our family can never be divided. We are a family of union. We are born in union, we are bread in union, we are natured in union, our work is union, our mission is union, our vocation is union. Love means union. We are Hearts of Love, ever united in love, we are united, let nothing separate us from the love of God. Nothing. No disease, no corona virus, nothing should separate us, we must remain one and united family. That is what God wants.

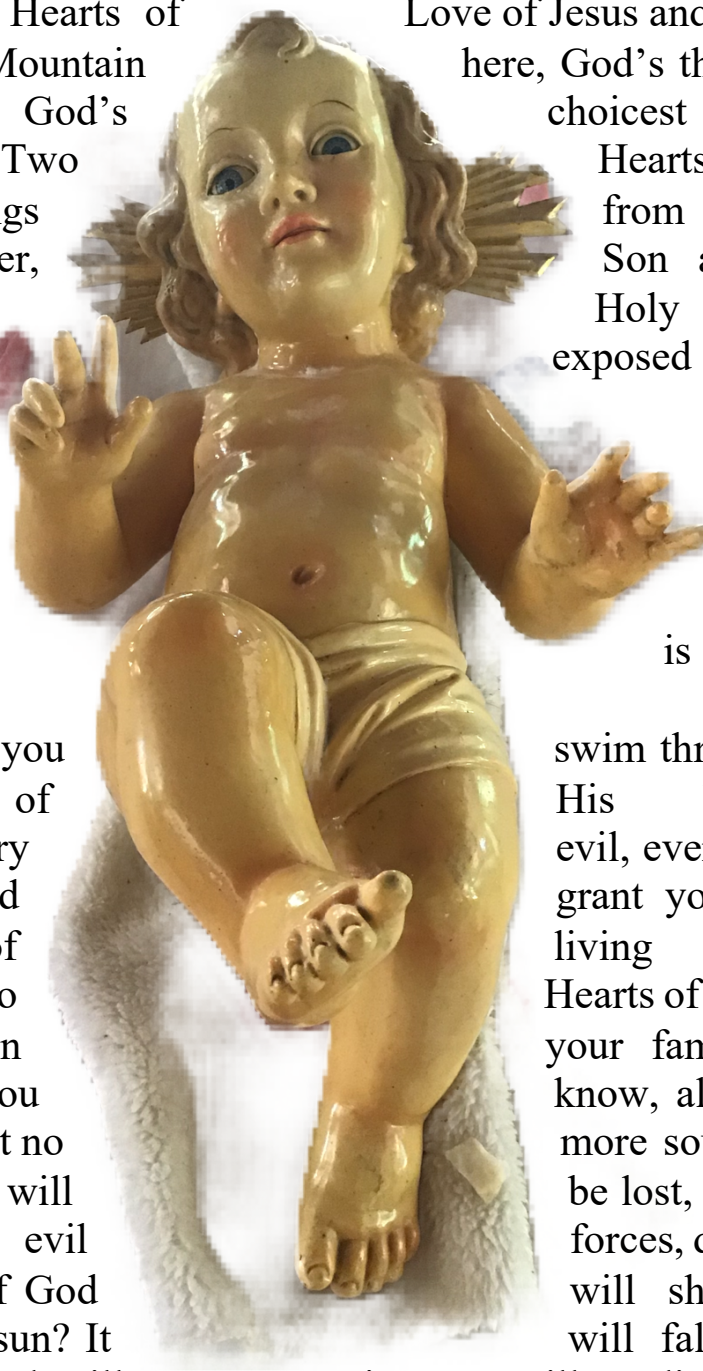

May the peace and blessings of the almighty God the Father, Son and the Holy Spirit, come down upon you and through you spread throughout the whole country and the whole world and bring all to the love of God and to the salvation. In the name of the Father and the son and the holy spirit. Amen.

Thank you, very much.

Love your parents -homily of Fr. Montfort Okanwikpo, SHL on the Feast of Holy Family, Sunday mass.

My dear brothers and my dear sisters, what a great joy God has showered into our tiny hearts, the joy is almost exploding in our hearts, the joy of Christmas, the Son of God born for us, and today a parent brought a new born child to the church to thank God for the gift of this new life...

I thank all of you for coming to this Sunday mass on the Feast of the Holy Family. Please, please, I beg you, never in life raise your hand against your mother or father. You must love your mother, father, your parents as you love God. That is why God made the commandments – the first three are directed to God, next one is directed to your father and mother. So, after the love you show to God, you must carry this love to your parents. They are your “gods”. They made you exist. Without them you would not exist.

Today is Holy Family day, so, love your parents, do something for them today.

One day I can't small boy, I orange, pilled it papa Luis and to and I told them: being our show them is orange? But happy! How they that their children

But they were so happy! How they breathed in joy that their children appreciate them as their parents. Today, every person must show appreciation to their parents.

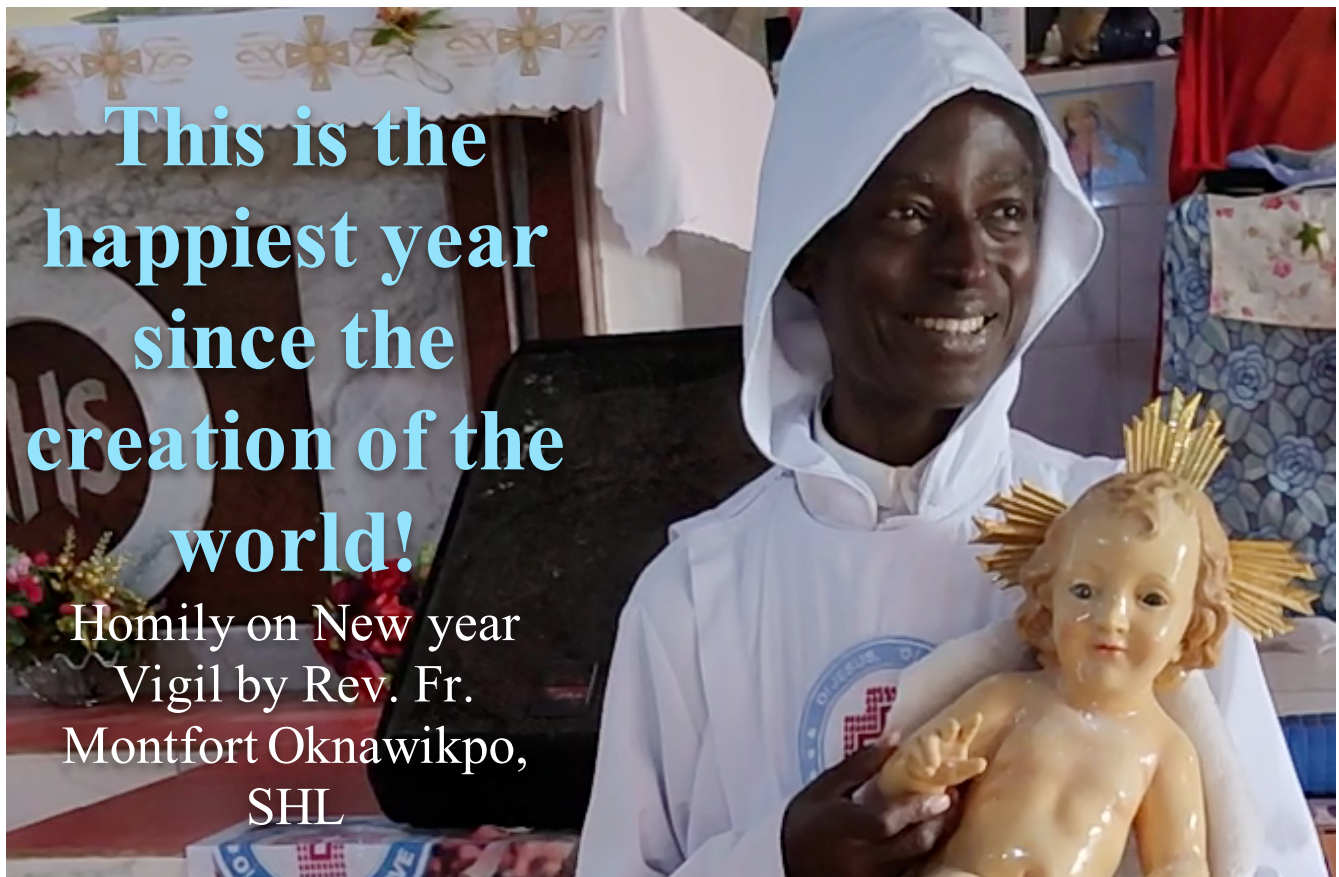

forget it. I was a plugged one and gave it to my my mama Cecilia “thank you for parents.” Just to appreciation, what they were so breathed in joy appreciate them as

their parents. Today, every person must show appreciation to their parents. My parents has already gone to heaven, but today I must find time to go where they are buried to celebrate mass for them. Papa Luis, Mama Cecilia, thank you for being my parents, God used you to bring me forth into the world.

So, today, please, pour love on your papa and your mama. Small things, it must not be great thing, it can even be just a small hoc, small kiss, one piece of ground nut, one small biscuit, small flower, small thing. But show them your appreciation today. But from today onward never never speak harshly to your parents, never insult them. Never, never, never strike them, rather die. Never make them unhappy. The happiest moments of the parents are the success of their children. So, for the sake of your papa and mama, if you are studying, study well, if you are working, work hard. It is to make them happy.

As you make God happy, so make your parents happy – Holy family day. Mama Maria remain the happiest mother of all because of her child and I can imagine the mother of Judas will be the unhappiest mother in whole creation. So, make your

parents proud by living saintly lives, holy lives. My family is the Family of the Two Hearts of Love. Thank you, all of you are members of this family. May God bless all in the family of the Two Hearts of Love. May God reward all of you with His choicest blessings now and forever, through Christ our Lord. Amen.

After midnight Angelus:

Happy new year! This year is the most special year since the creation of the world, it is the happiest year since the creation of the world. We thank God for this year. It is the year when at last God will declare: “at last I have found the place and the people after my heart, who are doing my will here on earth as it is done in heaven.” It is the year IF conditional, we do the Will of God as He asks us to do, do what He tells us to do, there will be more rejoicing, there will be more joy, more happiness, more health, more glory everywhere on earth than ever before. There will be an end of the reign of evil and the triumph of the Two Hearts of Love. And all creation will come trooping to God’s holy place, God’s holy throne to prostrate before his divine glorious loving majesty and rally around the triumphant Two Hearts of Love. So, now this year is still very very fresh, only a few minutes, tell God what you want him to do for you. He is nearer to you than you can ever think of. Tell him whatever you want Him to do for you.

INTRODUCTION

I must tell you the happiest news that we have entered the happiest year. Say Amen! I was surprised to hear this, if not the person who said it is no other but our blessed Mother Mary. When the angel told Mama Maria the good news, the first good news, proto evangelium, that she will be the mother of the Saviour, She was totally surprised. How can this be, since I know not man? Angel told her clearly: "Mary, don't be afraid, with God nothing is impossible." And she accepted. "Behold, I am the handmaid of the Lord, be it done to me according to your word." I told my brothers here some days ago that I was annoyed with myself and annoyed with my God. I said: "God, why do you give people difficult impossible tasks?" He was not annoyed with me, but I was annoyed with myself and with Him. He smiled and said: "when I give somebody impossible task to do, it simply means that I, God want to do it myself, only I want just to use you to do it. That is all. You only need to say yes, just accept and make yourself available to be used by Me and I will use you to do it. Because with Me nothing is impossible."

It is a wonderful asks you to do that it is accept and allow He only wants to how he used David to kill the He used Moses, God, I cannot brother to go

thing. So, when God something, never say impossible, just God to do it himself. use you. Look at David, small boy giant Goliath, how the timid Moses – speak – take your with you, he will

help you to speak. How He used Moses to confront Pharaoh and destroy all the armies of Egypt and to create a way in the red sea. How he used Moses to take more than 2 million people for 40 years in the desert when there was no bag of rice, no market to buy food and God fed them with mana from heaven. In the desert was no water, the rock was following them, giving them water. During these 40 years they were walking in the desert, their trousers didn't tear, their sandals didn't wear out. It is the Lord's doing. However, they failed, when they began to worship golden calf...

This year is the year of.. God and the whole creation are longing for this year. Before this year started, about 3 hours to enter this year Mamma Maria told me something: "will you do it for me?" In this chapel. What she has been hammering, "now take it as your cross and your crown" now, in this chapel every three hours holy mass. Can I do it? "God will do it through you." I accepted for the salvation of all souls.

Climbing of the Holy Steps: in fact, my life is now limited to this chapel and the Holy Steps. The throne way for procession. I can live between this chapel and the Holy Steps that is all. After all, there was a man, who lived only on the pillar, for how many years? Marthe Robin lived on the Holy Eucharist for 50 years, receiving only once a week on Wednesdays. Rosaly is still alive in Portugal, how many years now, living only on the Holy Communion. I saw her, I visited her, I celebrated mass there for her and gave her holy communion. Marthe Robin died before I went there, I saw only the bed she was lying on for 50 years, suffering, her bones shrinking, that bed became her altar, where she offered herself. From that area God fertilised many new religious movements: The community of Beatitudes, the Community of Emmanuel and many others. From her bed where she was suffering for 50 years, God made wonderful fertilisation of congregations.

When I went to Jerusalem, our pilgrim guide told us: on all the places Christ was here on earth, you can't be sure which particular place it was, what you know is the area, but not the particular spot you can pinpoint: go to Gethsemane – which stone was it where Jesus was sweating blood? Go to Mount of olives,.. Go to river

What is happening here now in Ugwu-Nso is the culmination of the plan of God. I am saying it, because all the devils know it already. They are attacking Ugwu-Nso.

Jordan – where is the spot where he was baptised? Is it here or there? You cant be sure. So, this is the only place you can be only sure – the spot where he was buried. When we went there to celebrate mass we had only about 20 minutes, booked many months ahead. I said: I must enter that place, very small whole, where Jesus was buried. I entered and put myself as Christ was there. When I came out of this place, wow, for three days I was like somebody walking on the clouds. St. Augustin said: “love and do what you like.” Once you have love, then do whatever you like.

So, I want to thank God for this year, Mama Maria said: “this is the happiest year since the creation of the world.” I don't know, how many years Adam and Eve lived before they sinned in the garden. Some said just two weeks. They lost it since then till now. Under two weeks they sinned and lost the paradise.

We thank God for everything, this happiness of this year is because of Mama Maria: Immaculate Mother Mary. So, what is happening here now in Ugwu-Nso is the culmination of the plan of God. I am saying it, because all the devils know it already. They are attacking Ugwu-Nso, but God has promised us, once you do what I bid you, nothing will happen to you or around you, except what I, God, will. Moreover, all the devils, all the demons, all the evil spirits in the whole world are

taking fright, why? Their time is over. Their time is over. Their time is over. You will see, what God told Israelites: this Pharaoh you see today, you will see him no more. All these evils, from this Holy Mountain, God will remove from the whole world. will disappear.

Devil, you have no power over me, over those who are following me, over those who are here in Ugwu-Nso, you have no power over them. God has given us the power to annihilate you. Devil we are not exorcising you, we are deleting you. What David told Goliath: “I am coming in the name of God.” I am coming in the name of the One who sent me, my God, I am coming to do His will and I am willing to do it, rather God will do it in me. God will do it. “My soul, glorifies the Lord because the Almighty has done great things for me.” I can’t do it by myself. I am nothing. God is using me to do his work. God, use me as it pleases you for I am entirely yours.

So, I thank all of you who have come, you are the first recipients of these blessings. Wherever you go, blessings will follow you. Oh my God, it is wonderful, Thank you, my God. Thank you, my Love. Thank you, my All.

So, this night all of you who have come here, you cannot imagine: blessed are you eyes for what you see, blessed are your ears for what you hear, for many have longed to hear and see it, but never. You are blessed forever and ever.

Come magazine – how did it begin?

Come magazine began as a newsletter of the Two Hearts of Love named Come, let us go to the love of God. First issue was printed around 1988 in Orlu without author, year, place and shared by Fr. Montfort to the first aspirants, educated devotees and volunteer workers. The original was typed with typewriter, while all other documents were written with computer. As the name hints, the purpose of this booklet is to bring all to the love of God, which is the core mission of the Two Hearts of Love congregation and society.

For you, dear readers, we are bringing part of the text published in the very first issue of Come booklet:

God is Love, come let us go to him. Come let us go to the love of God. God created us for the love of Him. He made our hearts to love him. We can never have fulfilment outside the love of God. It is absolutely necessary for our well-being and perfection that we love God, neighbour and self. This love is unconditional. It does not depend on anybody or anything but God. It is not reciprocity, it is life, it is God. God is life. God is love, love is life. He longs for your heart. He thirsts for your love. Your loving him does not add anything to his love or glory. Why then does he want my heart and longs for my love? It is that his goodness and love might overflow into my heart, into my being for my well-being and perfection.

This prayer is said at mass. "Almighty Father, the love you offer always exceeds the furthest expressions of our human longing, for you are greater than the human heart. Direct each thought, each effort of our life, so that the darkness of our faults and weaknesses may not obscure the vision of your glory or keep us from the peace you have promised". I meditate on this preface. Our prayer of thanksgiving adds nothing to your greatness but makes us grow in your grace through Jesus Christ our Lord.

Message : Show to all that this life is liveable

"Please listen to my voice, the voice of your Love, your God, your All. I am all Thine as you are all Mine. Please live this life perfectly well and show all that this life is perfectly liveable. Let all around you live it well and show that it is liveable. Anybody who cannot live this life do not keep him or her in my centres or they would destroy or discourage others. Let all who come to live in My centres show that they are completely prepared to live only the life of love, the life of the Hearts of Love. From now on be completely uncompromising about your living the life of love and all living the same life of love. No exceptions please. Those who cannot live it let them go elsewhere. Let them live elsewhere but say the prayer of the Two Hearts of Love and I will save them with the same grace and love and favour of my Hearts of Love.

Begin today, begin now and see what I will do with you and with My Hearts of Love.

Father Love says: My God I will give you all you want by doing perfectly well all you ask me to do. My will is Your will. To do Your will is my eternal happiness and fulfilment. This message is one of them, there are many others places where He says this type of thing. The is one he gave me in the cathedral of Dijon:

“My Love, please, absolutely strict and uncompromising about the holy hour and vigil. These are the two lights by which I lead to the promised land, the light of my love and presence und union with me, my covenant of love and oneness. In the day pillar of cloud, that is holy hour, in the night pillar of light, vigil. Let all my priests, all My priests, brothers, sisters, lay apostles strictly and uncompromisingly with absolute love and commitment and with all the love of their hearts, souls and bodies love and adore and unite themselves to Me through and in union with Two Hearts. Let them keep and observe the worship during and Holy Hour and the Vigil with absolute love. There is no exception for anybody for no reason whatsoever. Anybody who cannot keep the holy hour by day and the vigil by night, no need to admit that person as priest, brother or sister of the Two Hearts of Love, or lay apostle. See what I will do with my little family and with My entire Church if this is observed and done as I want it.

Make the holy hour complete hour, the vigil complete vigil, no matter where they are.

My Love, since you have decided to pray to Me to make you a saint, ask all your children to pray for you in this intention and also the prayer for themselves and for one another to be saints. Make it a crucial part of the formation that all have the same mind and heart and will to be saints. I have formed this community to be a community of saints. Ask Chukwuemeka Maria to do studies of postulancy for saints in Rome... Do not allow anybody who cannot do the vigil, complete vigil, holy hour, complete holy hour and who has not the burning desire to be a saint, a canonised saint and to go to heaven, burning, consuming desire to do the will of God in all things and do it perfectly well.”

Our way of being saints is the way of the Two Hearts of Love, the holy hour by day , the vigil by night.

“My son, you must be very strict with yourself in the discipline of love and sacrifice, anybody who cannot do the Holy Hour by day and the vigil by night three hours at least, need not be admitted to vows of sisters or brothers. No admission at all, no priests. Make the holy hour complete hour, the vigil complete vigil, no matter where they are.”

No matter where they are! Even if you go home on holidays, you must do complete holy hour and vigil. No matter where you are you must do it! No matter where you are!

“In this way I mean to establish the reign of My Love, of My Hearts of Love in the whole world. I bless you and bless all My members of My Hearts of Love. The principal prayers of vigil and holy hour are prayers of the Two Hearts of Love. At holy it should be said at least 50 times, at vigil at least 100 times.”

The three absolutes

Homily during vigil at the Holy Mountain on Wednesday 15th December 2021

By Rev. Fr. Montfort Love Okanwiko SHL

Three absolutes: God. Absolute. He alone is God. There is no other. From this absolute, God, flows, proceeds the first procession from God, the absolute, is the procession of the Son. Begotten from all eternity in the Father, the Father's will. The will of the Father is absolute. Absolute. Untouchable, unchangeable, nothing can happen to the will of the Father, nothing. From this will of the Father proceeded the Son, our Saviour and Lord Jesus Christ. Out of love for the Father, absolute love of the Father, absolute.

The second absolute is response to this love of God, the most absolute response to the will of God by a creature: Mary. Absolute, complete, perfect, untouchable, inscrutable. There is only one, there is no other creature who gave such an absolute response to God like Mary. Not even angels. And from this second absolute, on this second absolute came the first advent. The first coming of Christ. The procession of the Son in the Father is not ad extra, is not outside God, but inside God. But then coming outside God to the creature level through Mary's response, he came out of the father to the world. Begotten from the Father inside the Father, but then when Mary responded, he then proceeded from the Father into the world. There is nothing outside God anyway.

The third absolute is what we are waiting for. The absolute response of union with these two absolutes, absolute love of God, absolute love of the creature, then union with these two. Unite all with these two absolutes. This is the absolute solution. The absolute solution is union with these two absolutes. There is no other. In a way it is an image of the Trinity, Father, Son and Holy Spirit. The absolute will of the Father, absolute response to the will of the Father by the creature Mary. “Behold, I am the handmaid of the Lord, be it done to me according to your word”. And she gave herself completely, absolutely, no change, no thinking again, no looking back. Nothing again, only God.

And the third absolute God wants me to do: The union with these Two Hearts, the union with these Two Hearts. The only solution. The absolute solution. The only, the absolute solution, which comes from God to save all. And this is done through prayer. So, the discipline of this absolute must resemble the discipline,

the will of the Father, which has no compromise. And God was prepared to lose even all the angels, all his creatures in heaven, if they dared in any way scratch the absolute will of the Father. And all those angels who were lost, because they dared, they dared scratch, they dared refuse, they dared question the absolute will of God. And Christ, who came to this world to destroy the empire of Satan, did not hesitate to call even his greatest apostle Peter “Satan”, because he dared question the will of God. You don’t question the will of God! The absolute will of God. This will of God is not the will of man. This will of God is not the will of man! It is beyond all human thinking, beyond all human imagination. It transcends whatever you can think of. That is why God does not reveal himself to the clever and the

The third absolute is what we are waiting for. The absolute response of union with these two absolutes, absolute love of God, absolute love of the creature, then union with these two. Unite all with these two absolutes. This is the absolute solution. The absolute solution is

to have their decisions, they could even decide against the will of God. But God knew that all these things they are doing, all their doing is nothing but what? At the end there will be only one absolute again. At the beginning there was one, and at the end there will be one. All this human, angelic things at the end all must be one again. All things in Christ, things in heaven and things on earth. How they describe it, the beginning: only God, in the middle: creatures with freedom, human beings, angels; at the end: only God again. At the end. He is the Alpha and the Omega. So, this time you are given as creatures with free will to decide to unite yourselves with God, for at the end there can be no other, but only those who do the will of God. All others will be what? Deleted. You either exist in God or you do not exist at all. Only those who live in God will exist. Outside God no existence. Nothing. Nothing outside God, that is the end. There will be nothing outside then will of God. At the end there will be only the will of God. So, learn now to use your freedom, creaturely freedom, creaturely love to accept the will of God, so that you will not be deleted. At the end all these will will be united

into one: the will of God. Use your will now to will the will of God. And you are perfect. Your perfection as a creature is when you use your creaturely will to will nothing but the will of God. That is the absolute fulfilment. That is your absolute joy, that is heaven on earth. If you can reach that level you are in heaven on earth. If you can reach that level you are already in heaven, even here on earth. Willing nothing but the will of God. For every other thing will be a distraction, a disturbance. If you can reach that level, you are already in heaven even here on earth. Your will be done on earth as it is done in heaven.

Make yourself very, very pure and holy, for Christ is coming, he must come!

Homily at the Holy Mountain on Thursday 16th December 2021

By Rev. Fr. Montfort Love Okanwikpo SHL

Absolute security for all souls, absolute care and love, nothing should be left to chances here in Ugwu Nso. All souls everywhere in the whole world, the whole creation must be cared for, must be fed, must be looked after, must be sought, must be protected, must be preserved, must be fought for at all cost with every weapon especially...no! Only with this prayer of the Two Hearts of Love of Jesus and Mary. Every other weapon is porous. Every other weapon is porous! The weapon of this prayer of the Two Hearts of Love, this prayer of union with the two wounded and bleeding hearts of Jesus and Mary. Unite any heart, any soul, any

till her assumption into heaven. So has God preserved her and so God wants to preserve every soul. Mary has assured me that with her, once I am in her arms, in her heart, doing the will of God, nothing can happen to me except what God wills. There is nothing anybody can do. But we must make use of this weapon perfectly

well. Perfection! Perfection! Perfection! The perfection God wants us to achieve is perfection of using this weapon perfectly well and submitting ourselves to this love of God completely, fully, wholly and entirely not minding what people will say or do. Their thinking, their talking, their saying is nonsense, useless, worthless, only distraction. Give yourself completely to God! All to God! All of yourself! All! All! All you have, all you are, all you can be and ever can be. Christ said nobody can follow after me unless you give up all your possessions, all your possessions, give it to God. Here at Ugwu Nso we must show that we are really disciples of Jesus and Mary by giving up every other thing except Jesus and Mary. Give up everything except Jesus and Mary! Hold on to Jesus and Mary and this prayer life! Every other thing can go. Every other thing should go except this prayer life. Then you have lost nothing, you have gained everything. Once you follow Jesus and Mary with this prayer life you have gained everything! You have everything! You have lost nothing. They may laugh at you, but this is nothing as long as you hold on to Jesus and Mary, the Two Hearts of Love. I have lost nothing. The thought they have duped me, cheated me, usurped it from me, but nothing. As long as they cannot take Jesus and Mary away from you. And nobody can take away from me this love of Jesus and Mary. Thank you my God, thank you my Love, thank you my All. So, hold on to this and make yourselves very, very pure and holy for Christ is coming. He must come. He is knocking at the door, he is coming in glory. Coming in glory. Coming in glory. What God has already done through our sisters Marie Pierre and Marie Pascale, is doing and will do more. This Christmas will be Christmas of greatest joy. God is using them to bless all.

Later:

We are not bodies. We have bodies, but we are not bodies. We are souls, we have bodies, we are not bodies, we are souls. Our soul is the person, the personality resides with the soul. We resemble God not in the body, but in the soul. When God said "Let Us make man in Our image and likeness", He formed the body from the clay of the earth, but the soul was breathed into man by God, the spirit, breath from God. That is where we resemble God. That is where we are, that is what we are. The care we lavish on our bodies, the care we lavish on our bodies, I won't say it is worthless, but it should be translated into care for souls. We are embodied souls now, but tomorrow we shall be freed from the bodies, we will be complete spirit, pure spirit for God is pure spirit. We resemble him, God is pure love, absolute love, pure. We resemble God. Care for souls, the bodies will turn to grass, to indomie, to rice, to beans, to minerals, to water, but souls turn to God, spirit forever and ever. If you have this wisdom you will not allow this body to rule us. The spirit should dominate. The spirit should rule, should lead us. Care for the souls, all souls. God wants to save all souls through this prayer life. Lord, thy will be done.

THE BIRTH OF CHRIST, A PANACEA TO THE FALL OF MAN

By Rev. Louis Maria Hillary Eze SHL

The unceremonious defeat of our first parent by cunning and clandestine lucifer in the beautiful Garden of Eden orchestrated a lot of doom and eternal consequences to man. According to Rev. Fr. Paul A. Duffner O. P. In the beginning, man was created in a state of grace with a lot of preternatural gifts such as immunity to suffering, death, perfect subjection to bodily inclinations, appetite to reason and most importantly the sanctifying grace.

Furthermore, Venerable Mary of Agreda noted in her famous book "The Holy City of God" that God formed Adam as it were of the age of 33years, the same in which Christ was to suffer death, and with regards to Adam's body, he was Soo like unto Christ. Scarcely any different existed, while Eve was so similar to the Blessed Virgin in personal appearance and do figure. Mary of Agreda also noted that God looked upon these two images of the great original with the highest pleasure and benevolence and on account of the originals, he heaped many blessings on them. Thus human being were supposed to look like Jesus and Mary even in appearance given that our first parent were their look alike. However, the happy state at which our first parent were created lasted only awhile because the envy of the serpent was immediately aroused against them for satan was patiently awaiting their creation. However, the enemy was deceived for the Lord had from beginning manifested to him that the word was to assume human nature in the womb of the blessed Virgin Mary but did not disclose to him when and how. God did this so that lucifer from the beginning would labour under ignorance and confusion. Thus, lucifer thought that destroying our first parent would bring about the end of the divine incarnation of the word, Christmas and it's eventual celebration.

The sin of Adam and Eve according to Padre Paul Duffner OP, left man with a fallen nature, with an intellect whose judgement were obscured. Coupled with a weakened will and inclinations to seek his own will rather than the will of God. With the necessary sin of Adam, the life of man according to Thomas Hoppes became solitary, poor, short, nasty and brutish. Man's inhumanity to man became the order of the day owing to the abysmal loss of sanctifying grace. The Garden of Eden which was a perfect dwelling place of man, a garden where he communes with God in mutual love and perfect union was lost for good. A garden where God visits on a regular basis to teach, guide and instruct Adam by himself. Eden was lost as Adam and Eve preferred the deceptive suggestions of the lucifer to the holy ordinances of God "Do not touch tree in middle of the garden". Adam lost all out of all through his original sin.

Thus, humanity was plugged into captivity and slavery for thousands years. Satan had overwhelming influence on everything that man does. Doing the will of God was almost an impossibility.

Humanity became in **askance** of the way back to Garden of Eden. The need for a Messiah, a saviour, a redeemer who must be free from the guilt of sin of any kind. An unblemished lamb of God through whom that sanctifying grace lost in the original sin can be restored. With a mother whose conception and character is immaculate as had decreed by God. Jesus became the only solution. Worthy lamb of God who alone was able to open the scroll of Rev. 5 v 5. Broke the seal and read through it. This mysterious scroll contains the plan of the eternal father for the salvation of all souls. Only Jesus knew the secret and it's final accomplishment.

And the word became flesh and dwelt among us. There are certain remarkable things about birth of our saviour especially at the very moment of the delivery. Sister Mary Agreda noted that our blessed mother was in an ecstasy and beatific vision for over an hour, and the moment she issued from it, she began to feel the movement of the child in her virginal womb. This movement did not cause the mother of God any pain or hardship as it happens with other women during delivery.

The body of the mother of God became spiritualised, her countenance emitted rays of great lights like the sun incarnadine in an indescribable majesty. It is in midst of this rapture that the most exalted lady gave to the world the only begotten son of God on Sunday and at midnight. Her virginal integrity and purity was untouched for God penetrated the virginal chamber just like the rays penetrating a crystal shrine lightning it up in prismatic beauty.

Therefore, our blessed mother is a virgin both before and after the birth of our Lord Jesus Christ.

A season of Christmas such as this, is a time of celebration of the God made man, the incarnation of God the Son as son of Mary to be the redeemer of mankind and give glory to God the Father. It is the time of the birthday of the lamb of God who is to take the sins of all mankind. It is the time when the sanctifying grace lost by our first parent is given back to man through the institution of various sacraments especially the sacrament of Baptism. The birth of Christ is the birth of a new Church built on the body and blood of the slain lamb of God and on faith, hope and charity. Christmas is the period of happiness and absolute thanksgiving to God for giving humanity a second chance and by implication restoring back to humanity that which was lost through Adam's fall. Christmas is a period of loving and appreciating the new Adam and Eve in the person of Jesus and Mary. In Christmas, one can't celebrate the son and call the mother an envelope. It is a time

loving and uniting with the Two Hearts of Love. In Christmas, we also celebrate the triumph of God the Father over proud and cunning Lucifer who before now had been roaming around the world looking assiduously for that woman whom God had told him would crush his proud head. The Devil planned to prevent the divine incarnation of the word of God but God's omnipotence prevailed. Thanks be to God for the union of the Two Hearts of love. Without these union there could have been no Christmas. And I wish to make it clear here to all that Christianity as a religion is due to the union of Jesus Christ and the Blessed Virgin Mary. This union is the Church. The ark of the new covenant. The Noah's ark of old is just a prefiguration of the union the two Hearts of love . The old ark saved only eight people, but the union of all hearts to Jesus and Mary must save ALL who are on board. Being outside the ark entails eternal damnation. Therefore a mere profession of your love for Jesus and Mary with the prayer of the Two hearts of love and total resolution to practice deeds of love with daily meditation on the prayers of Two Heart of Love will definitely get you into the new ark. This is the will of God for all mankind.

It is therefore important for one to know that anyone whose hands are dirty can't even touch the new born king. The worst according to Fr. Love are hearts full of sin. The only one who can be in this union is one who is absolutely chaste and pure. One who is upright in heart, mind and body. One who forgives injuries and does not harbour grudges for days. One who is humble, meek, charitable without bound, one who identifies with the poor, the less privileged and orphans, not for any undue advantage but for the sake of the love of God. One loves the way God loves. One who is ready to suffer and die for the sake of the good of others. One who avoids occasions of sin. One who is a lover of holy souls. One whose food is do the will of God. These is the caliber of people who can touch the new born king and pay him homage.

Finally, the advent of modernism, liberalism and uncontrollable love for wealth acquisition at all cost had bedevilled our social system. It had become a cankerworm eating deep into to the ethical values of all christian societies. Doing whatever you can to build luxurious house and acquire flashy cars at the expense of your fellow human person is celebration of demonic captivity over human beings not Christmas. Christmas calls for total rejection of satanism and all elements of devilish chauvinism and embers of peace and love.

We are experiencing these days the translation of the mortal remains of two saintly members, Marie Pascale Bonin-Cot SHL and Rev. Sister Marie Pierre Sorin SHL. Their bodies are being moved into the chapel of the Immaculate Conception at Ugwu Nso, where already the body of our former Mother General Chukwuemeka Maria Steidl is waiting for her own exhumation in April 2022.

Marie-Pascale - The Lamb of Sacrifice

Marie-Pascale and Barbara Rodary served together from 1999 till 2003 as the first “Preparer” and “Feetwasher” at the side of Fatherlove the beginning upbuilding of the Society of the Two Hearts of Love in Germany and the plan of the Love of God. Marie-Pascale had a special gift of listening and working with the Word of God. Often times she would open the Bible in the chapel before the Blessed Sacrament in special situations in order to receive from God a word and insight. She also heard sometimes in her soul a sentence or a hint.

Two days after the first meeting with Fatherlove in the context of the monthly healing mass on Sacred Heart Friday in May 1999 in Königstein, she was chosen by God by means of a vision to give the confirmation that the Society of the Two Hearts of Love in Germany and Europe should find its beginning through the organisational help of Barbara in the collaboration with Fatherlove for the great mission, which God had given him for the new time of the reign of His Love. With that God also called at the same time Marie-Pascale into this mission and the many members of the prayer group from Königstein, who would become members of the Society of the Two Hearts of

Love. Marie-Pascale and Barbara joined together the Society on 8th July 1999 as first members of the German section of the Society of the Two Hearts of Love in Hütting, near Eichstätt in Bavaria, where Fatherlove lived as a curate during his doctorate studies.

During the first preparatory retreat with Fatherlove, God showed him that the service of Marie-Pascale is a call to be a sacrificial lamb. She lived in the Society right from the beginning with the consciousness to be ready to sacrifice everything in order to help Fatherlove in his great mission to console Jesus by bringing all men to Him. As our Lord told Fatherlove: the only solution is to unite with the Two Wounded and Bleeding Hearts of Love of Jesus and Mary.

Shortly before her final journey to Nigeria she wrote a handwritten note in her Bible: *“The angel of the “great silence of God” intercedes for you and offers to you the chalice of God’s silence and bitterness towards men, who remain hard and cold before His cross. You ought to meditate upon this.”* 19.10.2003

Marie-Pascale has heard and noted these words in the time of her preparation for her life in Africa. The angel intercedes for her and offers her the chalice of God’s silence and bitterness with regards to those who remain cold and hard before his sacrifice of love on the crossing order to save their souls. Marie-Pascale had a special vocation inside the vocation of this community of reparation. Denise in France was shown by God during a night of vigil in the night of death of Marie-Pascale that God had given Marie-Pascale the choice: She chose the death of a lamb of sacrifice for this work of salvation of all souls.

We thank you and love you, Marie-Pascale! Be our intercessor in heaven!

Rev. Sr. Marie-Pierre Sorin SHL

Marie-Pierre grew up in a family in France, who was dedicated to organising pilgrimages throughout Europe and she accompanied and moderated innumerable pilgrimages and so was endeared to many hearts who knew her from those pilgrimages. She joined the Novitiate of the sisters at Ilorin in 2008 despite the discouraging words of her parents due to her fragile health. When she came in 2008, she exclaimed that finally she has found what her soul was longing and searching for all these years. She was a bundle of virtues, kind hearted, and always ready to be of help in the most humble tasks. Unexpectedly she died after a brief illness in the hospital at Ilorin and her body was transferred to the holy mountain. In a message given to her parents she encouraged them not to be sad at her fate, that she is now in

heaven. We composed a **prayer of petition** addressed to our two saintly sisters in order to obtain graces through their intercession:

Oh God, you are the God of all good and the god of all graces. With trust we come to you in all our needs and implore your help. We beg you , allow us to share in the virtue and merits of your beloved daughter, whom you have called to yourself. Accept in your infinite goodness my pleas, which I address to you through the intercession of Sister Marie-Pierre/Marie-Pascale and hear my prayer to your greater glory and for the glorification of your beloved daughter. Listen to my petition so that Sister Marie-Pierre/Marie-Pascale may be blessed with all heavenly graces.

Blessed Marie-Pierre/ Marie-Pascale pray for me, inspire me. Marie-Pierre/Marie-Pascale, ever ready to help, come to my aid in this particular situation, in which I need urgently your help:

(Mention now your intention)

Clement and sweet Marie-Pierre/Marie-Pascale, be blessed a thousand times in the name of Jesus. Amen.

Word of thanksgiving

I want to say thank you to all who support us with their prayers, with their love from their various places and especially those who come to join us to pray in our centres and at Ugwu-Nso, Fatherlove's hermitage. We thank also all who help the upbuilding of Ugwu-Nso as benefactors in every tangible way, also for every help given to the orphanage. One way to do it could be to bring your tithe of whatever income or produce God has bestowed on you. May God reward your generosity, may your oil never dry up and your wheat never finish.

May the Life, the Comfort, the Glory and the Love of God in the Two Hearts of Love come down upon you and remain with you forever. Amen.

Rev. Fr. Fatherlove Montfort Okanwikpo SHL
